		process. As we produce a schedule2021-22, the EMC knows the goals that were used to develop t se hedule.
6.	Highlight Scheduling Data for Department Chairs and Deans - Pivot table updates	x Pam walked EMC through the data.
		x It is a starting point. Concerns about interpreting the data
		outside of the department chair and dean role.
		x This is what the department chairs have been asking for,
		for a long time. It's a huge step in the right direction in
		order for chairs to plan schedes.
		x Request to publish this as a common database for chars
		and deans to access. The goal is to make the appropriate
		pieces public.
	Summer Instructional Budgets	x Academic Affairs is at the beginning stages of worksing
		the Summer 2021 Schedule.
		x Goal to increase FTEF and FTES for Summer 2021.
		Considerations included SFUSD Credit Recovery and
		better chance of irperson instruction.
		x Summer 2021 restored to 70 FTEF that would generate
		about 1100 FTES.
		x Planning on mostly remote in Summer 2021.
		x Depatments requested about 78 FTEF.
		x DMI requires summer instruction.
		x Need to still support SFUSD Credit Recovery
		 Maintain departments at Summer 2020 levels (so long as that is what they requested)
		x Increasing departments at requested level. If a
		department did not make a request, not forcing a request.
		x Funding noncredit.
		 x Increased budgets for Mematics Credit ESL, World Languages
		x Initial instructional budget and FTES goals published.
		Chairs work on schedule and submit to supervising dean
		for approval. Deanbave flexibility in working between
		departments. Continued monitoring of actual Spring 2021
		expenses and projected Summer 2021 expenses.
		x Goal is to be in a place to add classes in response to
		enrollment demand.
		x Future agenda items to discuss collegeride marketing
		efforts and student support strategies to increase
		enrollment.Benefit to the committee in understanding
		the College's commitment to collaborate with Student
		Affairs and Marketing/PR.
