		planning including the Budget Committee (PGC) and Program Review Committee (Academic Senate). Fall 2019 Annual Plans have been submitted and approved for consideration.	
4.	EMP Implementation	The committee received a Status Report on Various Resource and Support Plans that are currently in development, particularly Professional Development (PD), Technology, and Strong Workforce. See slides for details. As requested by the Planning Committee and emphasized by the Educational Master Plan, each of these developing plans contains a focus on communication. The Institutional Assessment Plan is also being updated by members of the SLO team to more accurately reflect evolving changes.
