Presented to the Participatory Governance Council (PGC) – May 4, 2023

Submitted by Kristin Charles and Sheri Miraglia, Accreditation Steering Committee Co-Chairs

Accreditation Steering Committee Objectives for 2022-23:

1. Monitor the timeline and process for developing the Institutional Self Evaluation Report (ISER) and ensure that there is broad participation, including collecting and incorporating Collegewide feedback and obtaining endorsements.
2. Finalize the ISER and submit to ACCJC in December 2022.
3. Monitor and support the development of responses to core inquiries during Spring 2023 as needed.
4. Prepare and submit annual and fiscal reports to ACCJC.
5. Monitor the need to respond to requests from ACCJC related to being on enhanced fiscal monitoring.

Progress Related to Objective 1 (Monitor ISER Timeline and Process/Ensure Broad Participation) and Objective 2 (Finalize ISER/Submit). We fulfilled these objectives with the submission of the Institutional Self Evaluation Report (ISER) in December 2022.

Progress Related to Objective 3 (Monitor Responses to Core Inquiries). Our Peer Review Team, chaired by Drs. Endrijonas and Mufson, has been working on responses to the core inquiries. The responses are being reviewed and will be submitted to the Accreditation Steering Committee for review and approval.

We will provide the team with responses to the core inquiries at least two weeks prior to our in-person focused site visit, which will take place October 2-4, 2023
