- 5. Completion (with "C" or higher) of a college-level math course equivalent to MATH 60 (Intermediate Algebra) or higher.

# Credit ESLPlacement Policies

Students use the ESL Credit Placement tool to determine their reading and writing level and choose the appropriate ESL credit core course. is tool may be used 2 times per semester if needed. If a student wishes to use the placement tool a second time, they need to wait 7 calendar days. To discuss this placement or to get help choosing a speaking/listening level, please see the ESL Credit Coordinator.

e CCSF assessment options are designed to help you determine your ESL skills before you enroll in ESL courses. If you have speci c questions, please see contact the ESL Program Coordinator for more information.

#### Accommodations for Assessment Process

Students with disabilities are encouraged to be seen by a DSPS counselor who will assess the student's functional limitations and determine reasonable accommodations for the enrollment process such as assessment and orientation. To contact a DSPS counselor, please go to https://www.ccsf.edu/dsps for more information.

### Free City Program

Free tuition is available for City College students who have established California residency and live in San Francisco. Students apply for Free City by completing the one-page Free City Application, which is included as a screen within the online registration process. A er regis tering, students are encouraged to complete either a Free Application for Federal Student Aid (FAFSA) or a California Dream Act Application.

Students who apply for nancial aid and are recipients of the California College Promise Grant will be eligible for an additional Free City stipend. For more information visit www.ccsf.edu/freecity. Fees for students that do not qualify for the program are listed below.

All enrollment fees and applicable nonresident tuition fees are due and Enrollment fee per semester unit..... per semester unit..... + enrollment fee Non-Resident tuition per semester unit with F-1 visas. ..... \$406 + \$46 enrollment fee City College does not current assess a capital outlay fee to international (non-refundable)\*.... ## Reduced Fees Under AB540

AB540 is a California State Law that exempts certain students who are not residents of California from paying non-resident tuition at California Community Colleges and California State Universities.

Students who meet all of the following requirements are eligible.

- You attended a combination of California high school, adult school, and California Community College for the equivalent of three years or more or attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years.
- 2. You graduated from a California high school or attained the equivalent (e.g. CA-issued GED or California High School Pro ciency Exam) prior to the start of the term, completed an associate degree from a California community college, or completed the minimum transfer requirements from a California community college to a California State University or the University of California.
- 3. You must currently be registered at an accredited institution of higher education in California.
- 4. You completed a California Nonresident Tuition Exemption Request form.

For more information, please contact the O ce of Admissions and Records, Residency Department, MUB 188, call (415) 239-3287, FAX (415) 239-3936 or email resident@ccsf.edu.

### Payment Methods and Policies

Payment of fees is due at the time of registration. Non-Payment of fees will result in a HOLD being placed on your account. Non-payment of fees MAY result in classes being dropped during the registration period. is could also result in not receiving college services. Students are liable for all fees for classes not dropped by the refund deadline dates.

Enrollment Fees, Nonresident and International tuition, and all other applicable fees are due and payable at the time of registration. Please note: it is the STUDENT'S responsibility to drop or withdraw from class(es) by the established deadlines published in the online class schedule.

Exemptions from immediate payment of fees are available to accommodate the following groups of students: students receiving nancial

Students wishing to enroll in more than the maximum units allowable

mation. Students have the option to forward CCSF Gmail messages to
